SUBJECT: USE OF CLASSROOMS FOR 2023 LOCAL MASTS LITERARY
AND SOCIO-CULTURAL COMPETITIONS

DATE: October 25, 2023

Please be informed that the classrooms which are identified as billeting rooms for the 2023 Local MASTS Literary and Socio-Cultural Competitions shall shift to **Online Distance Learning (ODL)** either synchronous or asynchronous. This is to ensure that the said event will not hinder the conduct of regular classes.

During the competition, faculty members shall stay in their respective offices or may find other spaces in the campus conducive for ODL, while the rooms are occupied by the MASTS participants.
