

MEMORANDUM FROM THE OFFICE OF THE PRESIDENT

No. 04 - 018, s. 2024

TO : VPRE, Campus Director, Deans, R&D Director, ITSO Manager, ITSO Staff, R&D Heads & Coordinators, TTLO, Participants

SUBJECT : **ATTENDANCE TO PATENT SEARCH, INVENTION SPOTTING CLAIM DRAFTING BATCH 1 & DRAWING USING AUTOCAD SOFTWARE**

DATE : April 8, 2024

The Innovation and Technology Support Office's mandate is to conduct capacity building like patent search, invention spotting, and claim drafting for the faculty, students, researchers, and innovators of NEMSU. These activities are onsite and to be participated by the identified faculty with the ITSO staff at NEMSU-Cantilan on May 6-10, 2024. You are hereby informed to attend this to equip you with advanced skills in utilizing diverse databases for patent searches and strengthen participants' ability to articulate and draft.

Expenses incurred in this meeting shall be charged against university funds through the Office of the Research and Development-Innovation & Technology Support Office, subject to the existing accounting and auditing rules and regulations.

Attached is the name of the participants for your guidance and compliance.

NEMESIO G. LOAYON, PhD.
SUC President III
