SUBJECT : COMMENCEMENT EXERCISES OF ACADEMIC YEAR 2023-2024 THEME

DATE : April 23, 2024

As we anticipate the commencement exercises for the graduating students of AY 2023-2024, it is with joy to announce the theme that will guide our celebration. After thoughtful consideration, we are proud to unveil a theme that embodies the spirit of our graduating students and the values we hold dear.

Theme: "Class of 2024: Embracing Innovation, Propagating Peace, Empowering Futures"

This theme captures the essence of our graduating class- a legion poised to lead with creativity, promote harmony, and effect positive change in the world. In embracing innovation, they embrace progress and adaptability. By propagating peace, they advocate for unity and understanding. Through empowering futures, they commit to shaping a world where all individuals have the opportunity to thrive.

The commencement exercises mark a significant milestone in the lives of our students, a culmination of years of dedication and hard work with the support of their parents/guardian. It is a time to celebrate their achievements, reflect on their journey, and look forward to the possibilities that lie ahead.

For information and compliance.
