PASUC ADVISORY NO. 059, s. 2024

For : All SUC Presidents/Heads

From : Dr. Tirso A. Ronquillo
President

Subject : **INTRODUCTORY COURSE ON PUBLIC-PRIVATE PARTNERSHIP (PPP)
FOR SUCs' INFRASTRUCTURE AND DEVELOPMENT PROJECTS**

Date : May 21, 2024

As part of its objectives and mandates in fostering strategic initiatives and facilitating cooperative opportunities as vital components of national socio-economic development, PASUC has collaborated with the Public-Private Partnership (PPP) Center in organizing the program entitled **"Introductory Course on Public-Private Partnership (PPP) for SUCs' Infrastructure and Development Projects"**. Our goal is to empower SUCs as leaders in the government's continuing efforts to enhance national infrastructures and development projects and services, particularly in educational infrastructure, encompassing technological equipment for learning and teaching, research centers and facilities, industrial hubs, and related facilities.

Furthering this commitment, the 2-day activity is scheduled on **June 20-21, 2024**, to be held at the Grand Ballroom, Sequoia Hotel Manila Bay, Aseana Business Park, Parañaque City.

In line with this, we are inviting all **SUC Presidents and Officers-in-Charge, SUC Vice-Presidents for Administration and Finance and/or Planning, Directors of Project Management Office, Directors of Planning Office, and PPP Focal Persons or relevant officials** to participate in this event.

This is a live-out event and a registration fee of Php4,000.00 per participant shall be charged to cover meals during the program proper, course packet, administrative costs, and other related expenses. Travel and accommodation expenses shall be charged against the respective SUC local funds, following the usual accounting and auditing rules and procedures.

To secure slots and kits, we highly encourage participants to confirm their attendance by pre-registering through the link <https://forms.gle/cktYaHZFwS6yngZ7A> no later than June 14, 2024. The registration fees can be paid on-site or it may be remitted in advance through the following bank details: *Account Name - PASUC; Account No. 0572-1053-00, Land Bank of the Philippines (LBP) - East Avenue branch.*

Enclosed is the provisional program and event briefer, for your ready reference. Your office may contact the PASUC Secretariat via email at secretary@pasuc.org.ph or thru the mobile number 0928-5205634 or telephone number (02) 8376-6213, for further inquiries.

Your full support of this activity will be greatly appreciated.

Course Title: Public-Private Partnership (PPP) for Infrastructure and Development Projects of State Universities and Colleges (SUCs)

Course Overview: This course is designed to provide participants with a foundational understanding of Public-Private Partnership (PPP) frameworks as applied to infrastructure and development projects in State Universities and Colleges (SUCs). It will cover key concepts, legal and regulatory frameworks, project identification, feasibility assessment, and the role of PPP in enhancing the infrastructure landscape and development of SUCs.

Course Objectives:

1. To introduce participants to the concept and importance of PPP in the context of infrastructure and development projects of SUCs.
2. To familiarize participants with the legal and regulatory framework governing PPP projects in the Philippines, particularly in the education sector.
3. To provide insights into the process of project identification, feasibility assessment, and selection in PPP initiatives for SUCs.
4. To discuss financing mechanisms, risk management, and implementation strategies specific to PPP projects in SUCs.
5. To analyze case studies and best practices of successful PPP projects in SUCs and higher educational institutions globally.
6. To equip participants with the knowledge and skills necessary to engage in PPP initiatives in pursuing smart campus development and other viable projects anchored on their Land Use Development and Infrastructure Plan (LUDIP).

Course Structure:

- **Other salient provisions under the PPP Code and its IRR**

Module 2: Introduction to PPP in SUCs

- Definition and significance of PPP in SUCs infrastructure and development projects
- Benefits and challenges of PPP in the higher education sector
- Role of PPP in addressing infrastructure and development gaps in SUCs

Duration: Modules 1 and 2 will be conducted for two consecutive days. Sessions will be held in person/face-to-face in Manila.

Module 3: Case Studies and Best Practices

- Analysis of successful PPP projects in the Philippines and higher educational institutions abroad
- Lessons learned, key success factors, and challenges encountered
- Replication potential and scalability of PPP models in SUCs infrastructure and development projects

Module 4: Project Identification and Feasibility Assessment

- Criteria for identifying priority infrastructure projects in SUCs
- Feasibility studies and project appraisal methodologies
- Socio-economic and educational impact assessment

Duration: Modules 3 and 4 will be conducted for three consecutive days. Sessions will be held in-person, or depending on the prevailing circumstances and participant preferences.

Module 5: Financing Mechanisms for SUCs PPP Projects

- Financing options for SUCs infrastructure projects: financing and economic models
- Financial structuring and risk-sharing arrangements
- Role of multilateral institutions, development banks and other financial institutions, and private sector stakeholders in PPP financing for SUCs

Module 6: Risk Management and Implementation Strategies

- Risk identification, allocation, and mitigation strategies in PPP contracts for SUCs
- Insurance mechanisms, guarantees, and contingency planning
- Capacity building and institutional strengthening for effective PPP implementation in SUCs

Duration: Modules 5 and 6 will be conducted for three consecutive days. Sessions will be held in-person, or depending on the prevailing circumstances and participant preferences.

Module 7: Role of Stakeholders and Community Engagement

- Engagement strategies for government agencies, SUCs, private sector partners, students, faculty, and local communities
- Collaborative decision-making, transparency, and accountability in PPP projects
- Public awareness and perception management in SUCs PPP initiatives

Module 8: Project Design Workshop

- Group exercises and simulations to design PPP projects for SUCs infrastructure and development projects
- Presentation and peer feedback on project proposals
- Development of action plans for engagement in PPP initiatives

Duration: Modules 7 and 8 will be conducted for three consecutive days. Sessions will be held in-person, or depending on the prevailing circumstances and participant preferences.

Course Delivery: The course will be delivered through a combination of lectures, group discussions, and workshops, with resource persons/speakers from industry, PPP experts, government officials, and representatives from SUCs. Participants will also have access to online resources, reading materials, and interactive learning platforms to enhance their understanding and engagement.

Target Audience/Participants: This course is tailored for SUC senior leaders/officials, middle-level managers, and individuals involved in infrastructure development, finance, project management, procurement, planning, and end-users.

Total Duration: The course will be conducted over eleven days, with each session spanning two to three days. Sessions will be held mostly in person or face to face or depending on the prevailing circumstances and participant preferences. Additionally, participants may be required to prepare an action plan to demonstrate their understanding and application of PPP concepts in the context of SUCs.

Certification: Upon successful completion of each session, participants will receive a certificate of participation from PASUC and other partner institutions, recognizing their active participation. Participants who complete the 11-day program will receive a certificate of completion recognizing their proficiency in PPP for infrastructure and development projects in State Universities and Colleges.
