ASSESSMENT RATING SYSTEM FOR L&D

Date : June 20, 2024

In line with our commitment to continuous improvement and efficient assessment process, the ICTU will present the Competency Assessment Rating System (CARS) for Learning and Development. This system is important as it will help identify the competency gaps of employees in the University which ensures that future trainings, seminars, workshops and other related interventions are effectively targeted to address these gaps. Details are as follows:

Date: June 28, 2024

Time: 10:00 AM

Venue: New Board Room

Hybrid Attendance: Participants from the campuses shall join via hybrid modality. Zoom details will be provided later.

Further, as end users of this system, the HRMOs are required to attend and be prepared for the integration of this system into our operations. Your participation will involve trying out the system and providing valuable feedback for its full implementation.

Your cooperation is highly appreciated.
