NEMESIO G. LOAYON, Ph.D. University President

North Eastern Mindanao State University Tandag City, Surigao del Sur

Dear President Loayon:

Greetings from the Philippine Open Government Partnership (PH-OGP)!

People's participation is one of the core principles of the OGP and the significance of engaging civil society organizations (CSOs) in policy formulation and decision-making has been recognized as an integral aspect of OGP processes. That is why after the successful run of OGPinas! Nationwide Advocacy Campaign in 2023, the PH-OGP Steering Committee is bringing this information, education, and communication activity to eleven (11) localities this 2024. This aims to engage thousands of civil society participants and the youth to learn and get to know more about PH-OGP and what it has to offer.

As PH-OGP's main platform of engagement, the OGPinas! 2024 shall serve as an avenue to socialize PH-OGP's plans for the medium term, introducing in every region the 6th PH-OGP National Action Plan (NAP) and showcasing its commitments. We are likewise making space for the new non-government actors in the Steering Committee to share past successes and current plans on amplifying the open government advocacy as a crucial role in convening the civil society in line with Section 3 of Executive Order No. 31, s. 2023, which mandates promotion of open and participatory governance through advocacy and outreach activities.

In this regard, we would like to invite fourteen (14) representatives from the University to participate in the OGPinas 2024 in Butuan City on August 30, 2024. Details of the venue and final program will be sent separately, meantime attached is the concept note for your reference.

We kindly request for your confirmation on or before **August 22, 2024**. Should you require any additional information or have any specific preferences, please do not
