DR. ROLYN C. DAGUIL
President
Caraga State University

Dear Dr. Daguil,

Greetings from UPLB!

The Department of Agribusiness Management and Entrepreneurship (DAME), in partnership with the Department of Science and Technology - Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (DOST PCAARRD), the UPLB Technology Transfer and Business Development Office (TTBDO), and the Philippine Partnerships for Sustainable Agriculture (PPSA) will host a technology pitching and poster competition during the 4th Global Agribusiness Management & Entrepreneurship (GAME) Conference and Expo 2024.

Aligned with the theme "The Now, the New, and the Next in Global Agribusiness and Entrepreneurship," this competition is designed to promote and showcase innovations in agri-aqua technologies developed by startups, research and development institutions, academic institutions, among others. The competition will feature technologies that are at the forefront of addressing both immediate and long-term challenges within agriculture. This includes solutions that improve current practices, introduce new methodologies, and anticipate future needs within the industry. The event envisions to advance technological progress and foster collaboration among innovators, researchers, and investors to drive sustainable and impactful changes in global agribusiness and entrepreneurship.

In line with this, we formally extend our invitation to the following staff and students from your esteemed institution to join us in the technology pitching competition to present their solutions to potential investors.
