**NEMESIO G. LOAYON, Ph.D.**  
 SUC President III  
 North Eastern Mindanao State University  
 Tandag City, Surigao del Sur

Dear **President Loayon**,

I hope this letter finds you well. I am writing to you on behalf of Adela Serra Ty Memorial Medical Center (ASTMMC), an institution that has been providing quality healthcare services to the people of Surigao del Sur and its nearby provinces since 1961. Our hospital has made tremendous progress over the years in terms of service delivery, especially to the Caraganons.

We are proud to inform you that our hospital has adopted the Performance Governance System (PGS), a framework that formulates and implements strategies to improve service delivery with 100% dedication to good governance. The PGS system has four stages aimed at achieving breakthrough results while consistently aligning with the institution's strategic roadmap. We have completed the first stage of the PGS journey, which involves laying out strategies for execution, and we are now preparing for the proficiency stage which involves maturation of our processes for the achievement of future roadmaps.

As an institution with the same goals when it comes to providing quality service delivery, **we would like to invite you or Dr. Ma. Lady Sol Suazo on November 26, 2024**, as we will be having the **ASTMMC Roadmap Strategy Review and 3<sup>rd</sup> MSGC Meeting at Uptown Corporate Hotel, Mabua, Tandag City from 8:00am-5:00pm**, for the presentation and update of the strategy roadmap and the signing of the MOA of the new members of the Multi-Sectoral Governance Council. Your presence will be valuable as we work towards achieving our vision and goals. Also, as one of the members of the MSGC, which will serve as an Advisory Board that proactively assists ASTMMC in moving forward in realizing its vision by providing suggestions and external perspective, and contributing initiatives for achieving its target performance breakthroughs.

We understand that your institution is very busy and that your time is valuable. Nevertheless, **your presence and partnership will truly make a more substantial reform in the institution and the delivery of health care service.**

We are eager to discuss with you the details of this collaboration and ways forward to achieve our desired transformation. If you have any queries or clarifications, please do not hesitate to reach us through [astmmc.osm@gmail.com](mailto:astmmc.osm@gmail.com), or you may contact Ms. Von Kamille Quiñonez at +639267412551 (Globe) and +63999577068 (Smart). Attached herewith is the confirmation slip and the program of the activity.

Thank you for your time and consideration. We look forward to your presence and insights that can pave the way as we gear towards becoming an apex hospital in Caraga region.

Very truly yours,

  
**DR. JANICE V. PAGARAN-ALCORDO**  
 Medical Center Chief II
