In compensation of the overtime rendered by the local task force counterparts and working committees beyond the regular office hours and during Saturdays and Sundays, a five (5) days Service Credit shall be computed accordingly. Additionally, Program coordinators are advised to submit a list of the local task force counterparts, duly approved by the department chair and dean, to the QA office for consolidation. The final consolidated list will then be submitted for the president's approval as part of the requirements for claiming overtime.

For widest dissemination and strict compliance.

For the grassroots and in spirit of vibrant leadership
