**SUBJECT: REMOTE LEARNING DAY IN COMMEMORATION OF THE EDSA  
PEOPLE POWER REVOLUTION**

Greetings of peace and solidarity.

NEMSU will observe February 25 as a Remote Learning Day in commemoration of the EDSA People Power Revolution.

February 25 marks the day in commemorating the EDSA People Power Revolution Anniversary, which is a significant day that embodies the reflection of bravery and dedication to Philippine democracy. As such, we encourage all personnel of NEMSU, including the teaching and non-teaching staff and students, to take part in the meaningful and peaceful activities that exemplify the celebration of unity, freedom, and civil liberties.

To highlight the significance of the celebration of the EDSA People Power Revolution Anniversary, the University will observe a One-Day Remote Learning. All NEMSU personnel are enjoined to participate in this commemorative event, hence ensuring that an appropriate learning and work arrangement are in place and implemented. Meanwhile, the Vice Presidents will determine the arrangement of suitable work and class setting for their respective covered units.

There shall be no face-to-face contact with students but through distance learning modalities. Only teaching personnel with no more than 6 units deloading shall be on work-from-home. Nonteaching personnel will be on duty onsite.

Scheduled activities set prior to the declaration of the remote learning day shall be conducted. Identified participants on these activities are therefore required to attend.

The university reaffirms its dedication to promoting democratic values, human rights, and the essence of civic freedom. May this occasion remind us of our collective duty to protect and enhance these principles both on campus and beyond.

For your guidance and strict compliance.

For the grassroots and in the spirit of vibrant leadership,
