Dear Dr. Loayon,

Greetings of peace and congeniality.

In connection with the participation of our division in the Regional Science and Technology Fair 2025 (**TUKLAS - A Research Project Fair**) which will take place from March 31 to April 4, 2025, in Butuan City, we would like to humbly request the involvement of some personnel from your esteemed institution to serve as mentors for our entries in the following research categories:

- Life Science- 3 mentors
- Physical Science 3 mentors
- Robotics and Intelligent Machines Innovation Expo – 3 mentors
- Mathematical and Computational Science 3 mentors

The expertise and experience of these mentors would be invaluable in evaluating and enhancing the projects of our young researchers, potentially increasing their chances of success in the regional competition.

Additionally, we will hold the mentoring activity on March 1, 2025, at Jacinto P. Elpa National High School in the STE classrooms.

If you require any further information, please feel free to contact me at my cellphone number, 0912-663-6501.

We greatly appreciate your consideration of this invitation and look forward to your positive response.
