DATE: March 24, 2025

**SUBJECT: DIRECTION-SETTING SESSION WITH THE PRESIDENT FOR
ALL CAMPUS DESIGNEES OF SAN MIGUEL**

Greetings of peace and solidarity.

Following the Board of Regents' approval of the new and renewed designations of all university campuses (BOR Resolution No. 146, s. 2025), it is deemed necessary to set clear directions among designees for the attainment of the MTDP 2025-2030 through its Vision, Mission, Core Values, and the INNOVATE Agenda, as well as the University's Quality Policy.

As we aim to elevate our status into SUC Level IV, the president will conduct a **direction-setting session among all campus designees on March 27, 2025 (Thursday), at 9:00 a.m.** for San Miguel Campus. This is the 4th direction-setting session conducted by the Office of the President following Tandag, Cagwait, and Cantilan.

This is also when the President will personally issue the Officer Orders to the campus designees.

The Planning Officer III is directed to present the 2025 targets for San Miguel Campus and the areas in the SUC Levelling instrument necessary for information and awareness.

The host campus is hereby requested to prepare a venue that can accommodate their campus designees. The venue should have a public address/sound system and a monitor or LCD projector with screen for presentation purposes.

For you information and compliance. Padayon sa pag-ALPAS NEMSU!

For the grassroots and in the spirit of vibrant leadership,
